**TO WHOM IT MAY CONCERN**

This letter is an official recommendation for Make Enterprise as a consultant for Ethiopian Society of Obstetricians and Gynecologists (ESOG) in designing a website for ESOG's Journal called Ethiopian Journal of Reproductive Health (EJRH). ESOG hired Make Enterprise and the results of the work have been very positive and acceptable.

We also found out that Make Enterprise has strong time conscious quality, which is very useful in the consulting career. Make Enterprise's professional approach make their work much more valuable to clients. Make Enterprise should be your next business consultant and I would be more than happy to answer any questions you may have.

Sincerely,

Selemawit Kifle  
General Manager, ESOG
