

Recommendation Letter

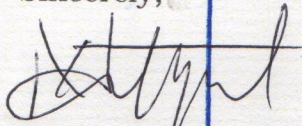

Apex Softwares LTD is a Kenyan company engaged in ICT consultancy and software development for financial industry with a vision to be the steadfast business solutions provider of choice for financial institutions across the world.

It is with much enthusiasm that I am writing to recommend the services of MAKE Enterprise for QMS ISO9001:2015 Implementation consultancy service up to certification support.

They did an excellent job, are always as per their word, and offer the most competitive rates in town. Moreover, they always do exactly what we ask of them.

I'm happy to recommend the services of MAKE Enterprise. If you have any questions, please feel free to contact me.

Sincerely,

Paul Mathu
CEO
